

Area of Interest Proposal

Due: Fri., March 6, 11:59 pm

Provide the following information for your *Midterm Research Project*.

Student Name: _____

Option 1: Analyze a microtonal work

[1] Composer name (*birth year-death year*): _____

[2] Work: _____

[3] Instrumentation: _____

[4] Approximate date of composition, or publication: _____

[5] Why did you choose this work?

Option 2: Anything else

Use this space to tell me what you're interested in working on. Even if you only have a fuzzy notion of what you'd like to explore, or have multiple interests, share your interests with me and I will help you develop your idea(s) into a project.

Submission

Type the information in a .docx file and upload it into the Blackboard assignment titled *Area of Interest Proposal* by the deadline above.

Grading

When your proposal is received, you will receive a score of 1/1 for this assignment. If the proposal form is not submitted, you will receive a score of 0/1. Your proposal grade will be factored in your project grade as explained in the project guidelines.
